

Mastering Music

Mastering Music (ages 10 and up) includes over 400 guided lessons in music performance, composition, notation, digital audio, aural training, music theory, film scoring and more! This comprehensive music software suite allows teachers with limited time, dwindling budgets and little or no technology expertise to implement music technology into their program. It's simple, self-paced and economical.

FEATURES:

- Includes 20 Student Licenses
- Includes one year of the Site Network Annual Agreement (See renewal information below)*
- Content correlated with MENC National Standard for Music Education and selected state standards
- Flexible curriculum
- Tutorials for students
- Individual student portfolios
- Recording capabilities for student performances
- Assessment tools for educators
- Tracking abilities to follow students progress at school or at home
- Class reports
- Comprehensive IT Manager and Teacher Guides

Software Suite (00-29083) \$199.00

SITE LICENSE

If you require more than 20 site licenses for your classroom or studio, you may purchase site licenses for additional students.

Additional Student Site License (00-29083Y) \$5.00

Complement your *Mastering Music* purchase with any of the following optional add-ons:

*SITE NETWORK ANNUAL AGREEMENT (INCLUDES TECHNICAL SUPPORT AND FREE UPGRADES)

Keep your classroom on the cutting edge of music technology with ongoing technical support and free upgrades to new versions and features as soon as they are available. The Site Network Annual Agreement is included free for the first year of ownership but must be purchased/renewed annually in order to continue service.

Site Network Annual Agreement (00-29086) \$20.00 (annually for up to 20 student licenses)
Additional Student Site Network Annual Agreement (00-29086A) ... \$1.00 (for each additional student license)

WEB CONNECT

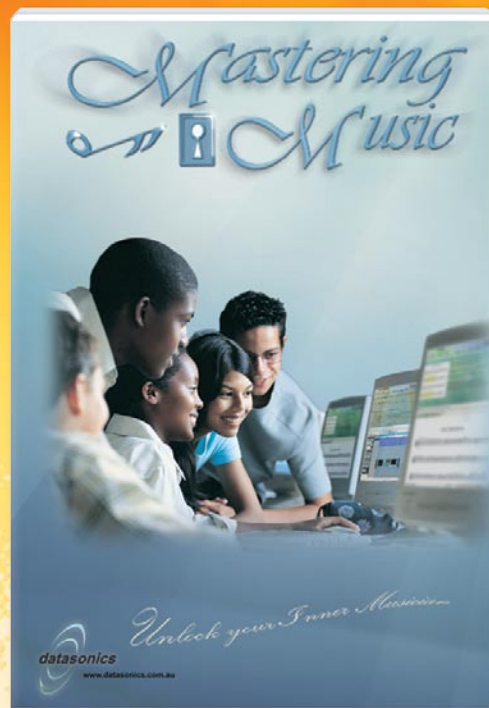

A web connect license is an annual subscription which allows *Mastering Music* lessons to be loaded onto your school's website, so students may access the lessons from home in order to complete their work.

Student Web Connect License (00-29087) \$20.00 (annually for each student)

LAPTOP LICENSE

For those schools who provide laptops to individual students, the laptop license annual subscription allows *Mastering Music* to run from a central school server onto each student's laptop. This is purchased in addition to the Software Suite and Site License mentioned above.

Laptop Licenses (00-29084) \$400.00 (annually for up to 20 student licenses)
Additional Student Laptop License (00-29084A) \$20.00 (annually for each additional student license)
