# CHORALS

VOCAL COLLECTIONS  
& CHORAL RESOURCES

NOW ALL ON  
ONE DISC  
FEATURING  
MP3 FILES!

## Dear Choral Director,

I'm always excited (and a bit cautious) when technology moves ahead. This year we're moving with it, as only one CD is enclosed in this promotion. This is actually a data disc, which includes mp3 recordings of our new choral release. Now you can quickly upload the demo recordings to your computer and then to your iPod or mp3 player. For further information, please see page 6 of this promotion.

We're also pleased to have a new look for our Choral Designs publications this year. Our new covers feature the same color scheme you've come to recognize, but offer more variation in design.

Have a musical year,

Sally K. Albrecht | Director of School Choral & Classroom Publications

## About the Enclosed CD

Because of the growth of our choral catalog over the past several years, we have not always been able to give you full recordings of our newest releases. So this year, we have found a way to give you what you have asked for—

### **FULL recordings of ALL of our 2011–2012 school choral publications.**

In order to provide these recordings in their entirety, the single enclosed disc contains mp3 files instead of audio files.

Please note that this mp3 disc can be used with computers, most CD players, and most car stereos. Once copied onto your computer, these sound files can be imported into any mp3 player, such as an iPod.

**Note:** Some older model CD players and car stereos may not be able to read this mp3 data disc. In this case, you have permission to save these files onto your computer and use a program such as iTunes to burn a new audio CD, playable by your current CD player. This will require burning approximately 6 CDs.

At any time, you may also access these mp3 files at our website: [alfred.com](http://alfred.com).

If for any reason you are not able to review these recordings or burn new audio CDs on your own and you wish to receive traditional audio CDs instead, please contact [customerservice@alfred.com](mailto:customerservice@alfred.com) or give us a call at **818-892-2452**.

Traditional Spiritual/arr. Tom Fettke

Slavery left scars on body and soul. Yet in many spirituals a sense of strength and resilience shines through. In this example, arranger Tom Fettke shows how the "Blind man" and "I" are one and the same. As the singer in the old spiritual cries out for direction, so do we. Our cry becomes the means for transformation—from despair, emotional brokenness and hopelessness, to confidence, wholeness, and hope.
