NIGHTRIDER

Written in a minor mode, this thrilling piece is reminiscent of Schumann's character pieces for young musicians and has been composed to reinforce F and C naturals and give young orchestras more experience in $\frac{3}{4}$ meter. The bulk of the piece is in A minor, contrasted by a brief section in parallel major, accompanied by a simple *col legno* bowing. Students will love the mysterious tonality and driving rhythms. Highly entertaining and educational at the same time!
