Want your students to fall in love with music? Then this is the piece for you! These two gems of folk dance music have been artfully arranged for intermediate string orchestra. Have a hot violinist in your orchestra that you'd like to showcase? "Misirlou" begins and ends with impressive-sounding solo cadenzas, framing the unforgettable theme. "Dodi Li" is a hauntingly beautiful love song, and in this enchanting arrangement, each instrument gets a chance to play melody and harmony, arco and pizzicato.
