From the hit TV shows, *Glee* and *American Idol*, Journey's timeless tune will delight audiences. First debuted in 1981, this classic rock piece has been used in many movies as well. Arranged to convey the authentic sound of rock and roll, every player gets a shot at the melody they know so well and there is really nice third position playing for the first violins. Very cool drumset and piano parts are included.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
