Get your students swinging with this jazzy train tune. Written for strings alone, but with that great big band sound, this original piece is a toe tapper with easy to play jazz riffs and cool syncopations. Each section gets a chance to provide the rhythmic groove and every section leader gets a chance to shine in the written-out “solo section” while the basses “walk” the rhythm. Chord changes in the key of C are provided for your budding improvisers.
